

Challenges and Problems	Solutions	Action Steps
<i>Lack of understanding of TAY population</i>		
	Bring together FBC to host a group meeting to introduce them to problems TAY face	
<i>Limited capacity within Faith-Based Community to service TAY</i>		
	Find services that are interested in serving TAY population in South L.A.	
	Identify the most important issues that affect TAY population: Homelessness, Lack of support from family, lack of parenting or shelter, lack of public supportive services; membership; job services/training, mental illness - how to identify within the church, education	
<i>Money and Resources</i>		
	Identify what programs are currently being offered for TAY within FBC	
<i>Housing or availability to care properly</i>		
	Help identify and assist existing programs already in the FBC. Help create additional programs to service youth.	
<i>Food programs (within Faith-Based communities)</i>		
<i>Regaining trust of TAY population</i>		
<i>Respecting TAY population</i>		
<i>Build trust between faith leaders and work together</i>
